Individual Trophy Dinner at Heritage Village was a great night with Fugly's Band playing some great music which kept all squashies on the dance floor.. With great singalong music (Alice) most people did not feel the cold air. Nobody wanted to miss a bit of the music! The only one who regretted a part of it was Gaylene who had a bit of a wardrobe malfunction when trying with Leslie to twist Michael in the air.

After a week of Individual Championships we now have our Australian Age Champions for 2011. One of the highlight matches was between Anne Richards and Gaye Mitchell which was a fight to the finish.

Both players excelled themselves and made some fabulous shots. Anne took out the title in the fifth game.

### TELLING TIGER TALES—

Gaye Mitchell woke up at 5.15 for a 6.00am flight, yes we wrote that right 6.00am. -and yet she made the flight - only a world champion could do that and how many speed tickets did she collect on the way to the airport?

On the way to the Welcome function John and Christine followed us in the 4WD with navman turned on. After a couple of U turns we just don't know where we are. So we pulled up and rang Ross. Ross the boss who knows everything. So Ross is busy and can't talk to us so he hands us over to the Mayor of Rockhampton. "How do we get to the Great Western? Well that depends where you are! So Jan looks out of the window and says "We are in front of the Adult Shop". "Oh, so you just turn right and head down the street" says the Mayor. Thanks Mayor - glad he was so familiar with the landmarks

Sandra "mild mannered" Fogarty was seen to have smashed her racquet against the wall - no obvious reason?? Slight problem being she did not bring a spare racquet and had to go buy another one to replace it. Added to the cost of anger management lessons it is going to be a costly tournament.
