Injuries were the talk of the town today as Robyne Bamberry received a good "clock on the nose" with a racquet in her match. After stemming the blood Robyne carried on like the trouper she is with her swollen nose and completed the match.

Helena from VIC broke her toe on Sunday and succeeded in eliminating herself from the teams event. She is now VICs chief cheer squad.

Tournament Director Kats & Trainee

Wrinkleys on Tuesday night was a great party with lots of dancing and drinking. Eric Summons our QMSA member host kept things moving. He entertained us with some magic and amusing jokes. The food was really great and we also appreciated the fire being lit after nearly freezing the previous Friday night. The bottles of wine and soft drink on the tables were also appreciated.

The acts were:

- NSW MERLON HUGE
- VIC ACKER
- ACT CHICK CHICK ZOOM
- TAS WHEN I LOSE 9-4
- WA MASTER CHEF
- NT DINKI DI AUSSIES
- QLD MAGIC BY ERIC

Helena's Toe

Rose Fox was suffering on Wednesday as both her legs were hurting from injuries. She received a hit with the ball on the Thigh and then copped a hit on the other thigh with the racquet so now has matching bruises.

Roy and Pam Whitehead would like to thank everybody for their concern and kind wishes while Roy has been in hospital after his stroke. We are pleased to report that he seems much better and his physio had him standing this morning. They have nothing but praise for the attention they have received from the hospital and nursing staff. The hospital is having him flown to Brisbane shortly.

Never ask Cookie to recover a ball that has gone out of the court. With a Gatorade in one hand and the lid in the other he attempted to throw the ball back in court. Somehow the throw ended with the ball in the rubbish bin. Lorna remarked "I'm not getting it out of there!"

Cookie had to put down his Gatorade and dig in for the ball. He then sent the ball back!

Cookie with a Friend at Wrinkleys

We had a welcome visitor to the courts today in Kay Kaye a stalwart from Victoria who came to renew old friendships and say hello. Who can forget Kay's version of "I'm Just a Girl Who Can't Say No" and "Boasting and Driving"?

Anita Pilling had an incident on the way to squash this morning. Coming from Yeppoon a fellow "went up her backside". They got the police and the hire car's hatchback is now damaged but driveable. Fortunately no one was injured but Anita was quite shaken.

A Friendly Drink After Qld. Defeated Qld.

Police were called to a Day Care Centre where a three year old was resisting a rest.

Did you hear about the fellow whose whole left side was cut off? He's all right now.

With her marriage, she got a new name and a dress.

The guy who fell onto an upholstery machine was fully recovered.

TO THE AUSTRALIAN MASTERS SQUASH FRATERNITY

THANK YOU FROM THE BOTTOM OF MY HEART
 My name is **Bill Crawford**.

Sadly I have missed the last 2 AMSA tournaments due to an unforeseen motor vehicle accident where my wife, Sandra had her life tragically cut short en route to Melbourne 2009. Sandra was to receive her 15 year Badge that year. Even though I did not play this tournament, I felt just warmth, compassion, support & friendliness from all you squashies from all over Australia. My goal is to play in the Adelaide 2012 tournament. This is what Sandra would have wanted. Squash is my second family. Thank you—Thank you.

Does anyone know to whom these sunburnt limbs belong?
