Leta Boyle is displaying a couple of injuries to her face. Unfortunately she had a bit of a fainting spasm in the bathroom and fell on the tiles drawing some blood. Fortunately nurse Helen was able to help her recover and clean up.

At Discovery Caravan Park the washing machines are obviously getting a good workout. We started off with four machines then one packed it in. Now this morning a second one has gone on the blink and we now have two out of four operating. Whether this has anything to do with Cookie's washing I'm not sure!
